ALL NEW

Activa

When you are on the road called Happiness, there should be no stopping. Miles and miles of joy should come your way. That is what we at Honda, believe in. Just the reason why we bring you the all new Activa – a scooter that comes packed with style, offers you great quality, reliability, value for money and never before convenience and comfort.

ECONOMY

The all new 110cc Honda engine of the new Activa is truly a technological marvel. It gives you 15% more mileage* than the previous model. And this makes it the most economical automatic scooter in the market. Enjoy the most out of each drop of fuel.

DURABLE METALBODY

Rely on the all new Activa which comes with metal body parts to handle even the toughest of Indian road conditions. Enjoy the durability and a longer life of your new Activa.

COMBI BRAKE

(Only in Deluxe Variant)
The all new Activa is equipped with the Combi Brake. This ensures a shorter braking distance with more stability. Enjoy peace of mind and safety.

TUFF UP TUBE

Now you can stop worrying about punctures. The **Tuff Up Tube** in the rear tyre reduces the chances of tyre getting flat to the extent of 70%*. Enjoy the journey without the fear of a flat tyre.

KEY SHUTTER

(Only in Deluxe Variant)
The all new Activa is loaded with an anti-theft Key Shutter ensuring safety of the vehicle. Enjoy the security.

MORE STORAGE SPACE

Now keep shopping with confidence. The 18ltr. storage capacity ensures enough lockable space for articles like a full face helmet, lunch boxes, bags and more. Enjoy carrying more.

CIIC MECHANISM

The Convenient Lift-up Independent Cover enables you to lift up the entire rear body cover. This makes maintenance easier and faster. Enjoy easier maintenance.

INNER BOX (Optional)

The sleek and stylish Inner Box & flat foot board with a hook, increase the storage capacity of your Activa. It is perfect for carrying smaller objects like water bottles, groceries and much more. Enjoy shopping more.
